LINGTONG EXPO FURNITURE

INTRODUCTION

Expo furniture is an indispensable supporting facility in fairs, celebrations, exhibitions etc. LINGTONG EXHIBITION SYSTEM CO., LTD. as a professional exhibition equipment manufactory, has developed series of standardized expo furniture. According to the usage, they can be divided into negotiation desk, consultation desk, expo chair, reception desk, promotion desk and so on.

Made by aluminium extrusion and fire-proof panel, negotiation desk and consultation desk are light in weight, easy for disassembly & assembly, reusable, resource-saving and environment friendly.

Expo chair is simple, fashionable, numerous in variety and convenient for storage and transportation.

Reception desk is elegant, numerous in size, which enable your booth to be distinctive.

Promotion desk is functional, designed ingeniously, which ensures your goods to be an eye-catcher.

Endlessly, we are pursuing the perfection of quality. Confidently, our speciality and quality will pleasantly surprise you!
