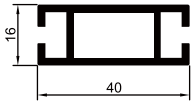
Sizes and accessories of Fabric Cube

Frame is exposed on the corner which is common in the market. Affect the appearance. LT-W3013 changed this defect, frame is not exposed.

Application: Ceiling shape and Image display in commercial space.

LT-W3013



LT-Z4400
(The support beam should be used when the span of the frame is over 2m.)

Knuckle Joint LT-S1586

LT-WB765-05

LT-WB765-03

Lonnecting Diagram

It can be suspended by the fitting LT-WB765-05and the hook EG417-1.

If the frame is too large, we need LT-WB765-03and beam to support.

Standard fabric cube (Specific models see schedule 2)

Square cube	 BK01	 Cube 600X600X600
Vertical cube	 BK05	 Vertical cube 600X600X1800
